Notes to the Waikanae Community Market Stallholder Application

Membership type	Description	Cost / conditions
Full Member	A Full Member is a registered stallholder (other than a Casual) who has registered with the Society as a Full Member. Full Members may attend, contribute to and vote at Society general meetings.	Annual subscription is \$75 for a 3m by 3m site. Sites are allocated at the Market Organiser's discretion under the Operating Rules. Regular occupation of a site is a convenience offered by the Market and does not create an entitlement to that site. Must comply with the Market Operating Rules.
Joint Member	A Joint Member registration covers two named people who share one stallholder registration and site. The first named person is registered as the Full Member and holds the membership vote. Both people are bound by these rules.	Annual subscription is \$75 for a 3m by 3m site. Same site conditions as a Full Member. Must comply with the Market Operating Rules.
Associate Member	An Associate Member supports the Market but does not trade as a stallholder, typically a member of the community with an interest in the Market. Associate Members may attend, contribute to and vote at Society general meetings.	Annual subscription is \$15. The number of Associate Members may not exceed 25 percent of the number of Full Members.
Casual Stallholder	A Casual is any stallholder who is not a Member of the Society and attends the Market on an ad hoc basis. Casuals do not hold membership and have no voting rights.	A fee of \$10.00 per Market day. A site is allocated on the day, subject to availability. Approval to trade for the day is at the discretion of the Market Organiser and one other Committee member. Must comply with the Market Operating Rules.

Note

All applicants who wish to trade in products controlled by the Food Act 2014 must provide evidence of their registration to do so. The Market may require other registration or qualification depending on the products or services to be offered.
